1. BASIS OF AGREEMENT

- a. The “**Order**” is the offer, made by INEOS Automotive Limited (“**INEOS**”) and/or an Affiliate of INEOS to the supplier (the “**Supplier**”), for the Supplier to perform the Services for, and supply the Deliverables to, INEOS. These terms and conditions are incorporated into the Order together with any relevant written scope of work agreed between the Parties and/or any relevant request for quotation (in written form) provided by INEOS to the Supplier (as applicable) (together, the “**Agreement**”).
- b. This Agreement constitutes the entire agreement and understanding of the Parties with respect to its subject matter and supersedes any prior drafts, agreements, undertakings, representations, warranties and arrangements of any kind, whether or not in writing, regarding the same.
- c. Except as otherwise agreed in writing between the Parties, the terms of this Agreement apply to the exclusion of the terms of any other document, which may be issued by either Party relating to the performance of the Services and the supply of the Deliverables.
- d. Without prejudice to the generality of clause 1.c, any terms or conditions which the Supplier seeks to incorporate into the Order by way of any order acknowledgement, collateral contract or any other means shall not be incorporated into, and shall not apply to, the Order unless expressly accepted in writing by a director of INEOS.

2. APPOINTMENT

- a. The Supplier shall perform the Services and supply the Deliverables regularly and diligently, fully and faithfully, in the best interests of INEOS and subject to and in accordance with the terms of this Agreement.
- b. If the Supplier has performed any services or supplied any deliverables, parts, products or goods prior to the Effective Date in connection with the Project (or any part thereof), then such services and deliverables, parts, products and goods shall be deemed to have been provided under this Agreement only, and any fee paid or payable in respect thereof will be deemed to be a payment on account of the Fees.
- c. Each Party warrants that it has full power to enter into this Agreement and to carry out its obligations under this Agreement.

3. TERM

This Agreement shall have full force and effect and be binding upon the Parties on and from the earlier of:

- a. the date on which the Supplier notifies INEOS that it accepts the Order; and
- b. the date on which the Supplier commences performance of its obligations under this Agreement,

(such earlier date being the “**Effective Date**”) and shall continue until the earlier of:

- c. the date on which the Supplier has performed all Services and delivered all Deliverables in accordance with the terms of this Agreement; and

- d. the date on which this Agreement is terminated in accordance with clauses 18 (*Termination*) or 20.i

(the “**Term**”).

4. DETAILED TIMING PLAN

- a. The Supplier shall perform the Services and supply the Deliverables in accordance with the Detailed Timing Plan.
- b. The Supplier shall notify INEOS as soon as practicable after becoming aware that it may be unable to meet the delivery dates or times set out in the Order or Detailed Timing Plan (as applicable) or any other aspects of the Detailed Timing Plan and such notice shall include full details of the delay including the cause of the delay and the expected effects of the delay.
- c. As soon as practicable following receipt of a notice under clause 4.b, INEOS shall grant to the Supplier in writing such extension of time for the Order or Detailed Timing Plan (as applicable) as INEOS then estimates to be fair and reasonable if, in its opinion, the regular progress of the performance of the relevant Services or supply of the relevant Deliverables has been delayed or is likely to be delayed by reason of: (i) a Force Majeure Event; (ii) delay caused by any act of prevention or default by INEOS of its obligations under this Agreement; or (iii) compliance with INEOS’ express written instructions in respect of the relevant Services or Deliverables, provided always that: (A) the Supplier shall use reasonable endeavours to prevent or mitigate the effects of any delay; and (B) the Supplier shall not be entitled to an extension of time to the extent that any delay is due to any act, omission, default (of the Supplier’s obligations under this Agreement), negligence or breach of statutory duty of the Supplier or its agents or of any subcontractor or its agents.

5. CHANGE REQUESTS

- a. Either Party shall be entitled at any time to request a Variation by submitting a Change Request to the other Party. The Supplier shall, in respect of any Change Request in respect of any Good, apply the standard proceedings as defined in VDA Volume 2: Quality Assurance for Supplies: Production Process and Product Approval (PPA) and take into special consideration the “Trigger Matrix” set out in Appendix 2 to VDA Volume 2 : Quality Assurance for Supplies: Production Process and Product Approval (PPA).
- b. If either Party submits a Change Request under clause 5.a, then INEOS shall, as soon as is reasonably practicable after submission of the relevant Change Request, determine if the relevant Variation should be further evaluated or not and notify the Supplier of its decision.
- c. If INEOS decides, under clause 5.b that a Variation should be further evaluated, then INEOS shall, as soon as is reasonably practicable after the relevant decision under clause 5.b, establish a team to evaluate the relevant Variation comprised of such persons as INEOS considers (acting reasonably) to be relevant for the purposes of evaluating the relevant Variation (each an “**Evaluation Team**”).
- d. The Supplier shall, at the request of any Evaluation Team, cooperate with, assist and support the relevant Evaluation Team with its evaluation of the relevant Variation and, unless otherwise expressly agreed in writing by each Party, such cooperation,

e. An Evaluation Team shall, in respect of the relevant Change Request:

- i. carry out an assessment of the technical, financial and commercial impact of the relevant Variation which may include considering, amongst other relevant considerations, the details of the changes contemplated in the relevant Change Request and the impact (if any) of such changes on the Deliverables, Detailed Timing Plan, Fees, Payment Schedule, Services and/or Specification (an "**Evaluation Team Assessment**"); and
- ii. provide the relevant Evaluation Team Assessment to such representatives of INEOS as are authorised to make a final determination in respect of the relevant Change Request.

f. INEOS shall, as soon as is reasonably practicable after an Evaluation Team Assessment being provided to the relevant representatives of INEOS under clause 5.e.ii: (i) determine whether the relevant Variation is approved (in whole or in part), rejected (in whole or in part) or should be considered further by the relevant Evaluation Team; and (ii) notify the Supplier of its decision (a "**Variation Release**").

g. If INEOS determines that a Variation should be considered further by the relevant Evaluation Team, then clauses 5.e and 5.f shall apply in respect of such further consideration with the necessary changes.

h. If INEOS approves a Variation (in whole or in part) in accordance with clause 5.f, then:

- i. with effect from the date on which INEOS submits the relevant Variation Release to the Supplier, this Agreement shall be deemed to be amended to implement the relevant Variation approved (in whole or in part) by INEOS under clause 5.f; and
