

INEOS Compounds Aycliffe Ltd

Environmental Policy

INEOS Compounds Aycliffe Ltd is committed to preventing pollution to the environment from its PVC Compounding operation, by operating an Environmental Management System that enables us to:

- Fulfill our compliance obligations,
- Apply sound environmental practices & controls in our operations and activities,
- Provide a framework for setting and reviewing environmental objectives, and identifying opportunities for the continual improvement of the Environmental Management System.
- Ensure that employees are fully competent to control the activities for which they are responsible

Alex Hogan
Chief Operating Officer
