

July 2026

Statement of Compliance with the Packaging and Packaging Waste Regulation (EU) 2025/40

This statement applies to all polyethylene and polypropylene grades supplied by INEOS Olefins & Polymers Europe when dispatched from INEOS manufacturing plants as packaged products.

We confirm that the packaging used for our polyolefin grades complies with the requirements of the Regulation (EU) 2025/40 on packaging and packaging waste (PPWR). The conformity assessment has been carried out in accordance with Article 38 and Annex VII. This assessment is based on the sustainability and labelling requirements applicable at the date of publication of this statement, i.e. those laid down under Article 5. The Declarations of Conformity have been established and are available to the competent authorities upon their request, in accordance with Article 39 and Annex VIII.

Yours faithfully,

Olivier Biles
Supply Chain Manager Polymers
