

LOGISTICS SAFETY COMMUNICATION

September 2018

WORKING AT HEIGHT – A LIFE SAVING RULE

We care for the Safety of our contractors
INEOS created the principle of “Life Saving Rules”
A violation of a rule will not NOT be tolerated by INEOS
and regarded as a major incident even
at the customer premises or on the public road!

STOP climbing on top of a truck or container
without the adequate protection
This is STRICTLY FORBIDDEN by INEOS!!

Together we can make it safer
