

LOGISTICS SAFETY COMMUNICATION

Additional guidelines CORONA virus

February 2020

Our loading sites are taking the necessary measures to protect our and your people.

It is paramount that your people follow them carefully if asked by the site.

To anticipate further on the importance of business continuity we ask you to:

Let us know if a corona case would be recognized in your company.

Let us know if this effects a specific delivery or deliveries.

Let us know if this effects our current business and supply chain needs.

Let us know if this effects your general service.

It is important to anticipate on what might come and look at the possible impact of your business.
